

# “What Should I Wear With My Stilettos?”

No matter what, it will include a concealed carry handbag with my favorite handgun tucked inside . . .

—Women Who Prefer to Carry a Handgun in Their Purse

The element of surprise is priceless for a woman . . . carry purses that do not look like carry purses are awesome accessories

Concealed carry is a way of life and designer handbags made to carry your handgun securely are essential to being able to live your life with style and peace of mind knowing your handgun is safe and accessible at any moment

—LeParisien

# Best Carry Bags

Women who use a purse rely on them every day to carry the items they need most—and for them, it is often the most natural place to carry their handgun.

Concealed Carry Woolstenhulme Designer Bags top the list as “LADIES CHOICE” featuring a full-line of traditional, classic and fashion forward styles made with quality materials, premium leathers and exotic skins selected by Kate herself for each style. Through the years, Kate has continued to include upgraded elements in her designs that set her line apart from others!
